

International scientific colloquium
“Modelling of processes in continuous media – from its beginnings in the Latvian University to computer design”

devoted to the 50th anniversary of the Department of Electrodynamics and Continuum Mechanics at the Faculty of Physics, Mathematics and Optometry of the University of Latvia

Place: Riga, 3 Jelgavas street, House of Science.

Time: 2 October 2020, 13:00 – 22:00

Scientific Colloquium

12:00 – 13:00 – registration of participants, visiting the exposition about the history of the Department, study programmes, research strands, graduates and publications (atrium, floor 2)

13:00 – 14:30 – Session 1 (lecture room No 105/106)

14:30 -15:00 – coffee break, visiting the exposition

15:00 – 16:30 – Session 2 (lecture room No 105/106))

16:30 – 17:00 – coffee break, visiting the exposition, excursion in the House of Science (for those who are interested)

17:00 – 18:30 – panel discussion about the role of mathematical modelling in the development of new technologies in the 21 century (atrium, floor 2)

19:00 – 22:00 – reception (recreation space, floor 7)
